Additional information No. 2

issued by the Contracting Authority in relation to the launching phase of the negotiated procedure without publication pursuant to Sec 49 of Act No. 137/2006 Coll., on Public Contracts, as amended

In Prague, October 23rd, 2013

This additional information concerns the launching phase of the above-the-threshold public tender ***“Technology development and delivery of a kilojoule laser for 10 PW beamline operating at augmented shot rate (L4) -Round 2.”*** administered in the form of a negotiated procedure without publication; additional information is distributed to all entities, who have been notified to submit their Applications to enter the negotiated procedure.

Please be advised that in connection with the last week’s application deadline extension, the Contracting Authority has decided to facilitate **remote access to the Opening of Envelopes via videoconferencing equipment** to those Applicants who will have duly submitted their applications by October 25th, 2013 by 3:00 PM Prague local time (CET) and who will not wish to send their proxy to attend the meeting in person.

Please note that the address for the delivery of applications, i.e. the offices of Holec, Zuska & Partners in Prague 5 remains the same. However, the **address where the Opening of Envelopes will take place** (physically and on video) **is hereby changed to the ELI Beamlines offices located at the Harfa Office Park, Českomoravská 2420/15a, 190 93 Praha 9, 5th floor;** the **time** of the Opening **is postponed to 4:00 PM** Prague local time (CET).

Applicants may join the videoconference (“VTC”) if they are equipped with hardware videoconferencing system. To join our VTC please dial the GDS number or the IP address below:

VTC call-in number (GDS): +420 950 087 801

VTC IP address: 195.113.222.60 (then dial the code 801# or choose remote camera control for room "ELI").

In case Applicants use videoconferencing software application supporting h.323 or sip protocols they can also join the VTC by dialling the above mentioned dial-in numbers. There also exists the possibility of joining the VTC only by phone (mobile or landline) by dialling +420 950 087 801.

In case any of the Applicants will be interested in testing the VTC access prior to the Opening of Envelopes (Contracting Authority recommends this) or have any questions please don't hesitate to contact us.
