Is there a way to have your administration verify the Supplier Qualification (Basic, Professional, Technical and Financial) prior to the tender deadline? We would like to send you documents in advance (for example, Extracts for criminal records from our country, documents from our tax authorities translates to English, etc...) so you can confirm that they are in the right format and that they suit your needs.

Documents submitted in bids will be assessed and evaluated by the Evaluation Commission which is impartial. For purposes of prior review we recommend to contact a Czech law firm which can provide you advisory services.
