

The floor plan shows a long, narrow building with a central corridor. The building is divided into several rooms, some of which are labeled 'FIX'. The plan includes dimensions for the overall building (1750 x 450) and individual rooms. The central corridor is 900 units wide. The plan also includes various technical annotations, such as 'místnost č. 316', 'místnost č. 317', 'místnost č. 318', 'místnost č. 319', and 'místnost č. 320'. The plan is oriented with the entrance on the left side.

Technical drawing of a window unit. The drawing shows a side view of a window frame with a fixed pane (FIX) and a movable pane. Dimensions are indicated: overall height 2200, overall width 1750, and a depth of 450. The fixed pane is 875 wide and 900 high. The movable pane is 875 wide and 1750 high. The drawing also shows a cross-section of the frame with a depth of 3.5 and a height of 3.8. The word "FIX" is written on the fixed pane.

Technical drawing of a window unit. The drawing shows a rectangular unit with two vertical panes, each labeled "FIX". The overall width is 1700, with 850 for each pane. The overall height is 1750, with 900 for the lower section. The drawing includes dimensions for the unit's width (1700), height (1750), and individual pane width (850). It also shows a detail of a connection point with a voltage rating of 3.6V and a note "mistnost 6. 322".

Technical drawing of a window assembly (Fig. 3.32) showing a cross-section with dimensions and labels.

Dimensions:

- Top width: 3.5
- Right height: 1750
- Bottom height: 900
- Bottom width segments: 720, 450, 900, 450
- Total bottom width: 2520

Labels:

- FIX (three locations)
- mištnost č. 322
- V 3.62

[illegible]

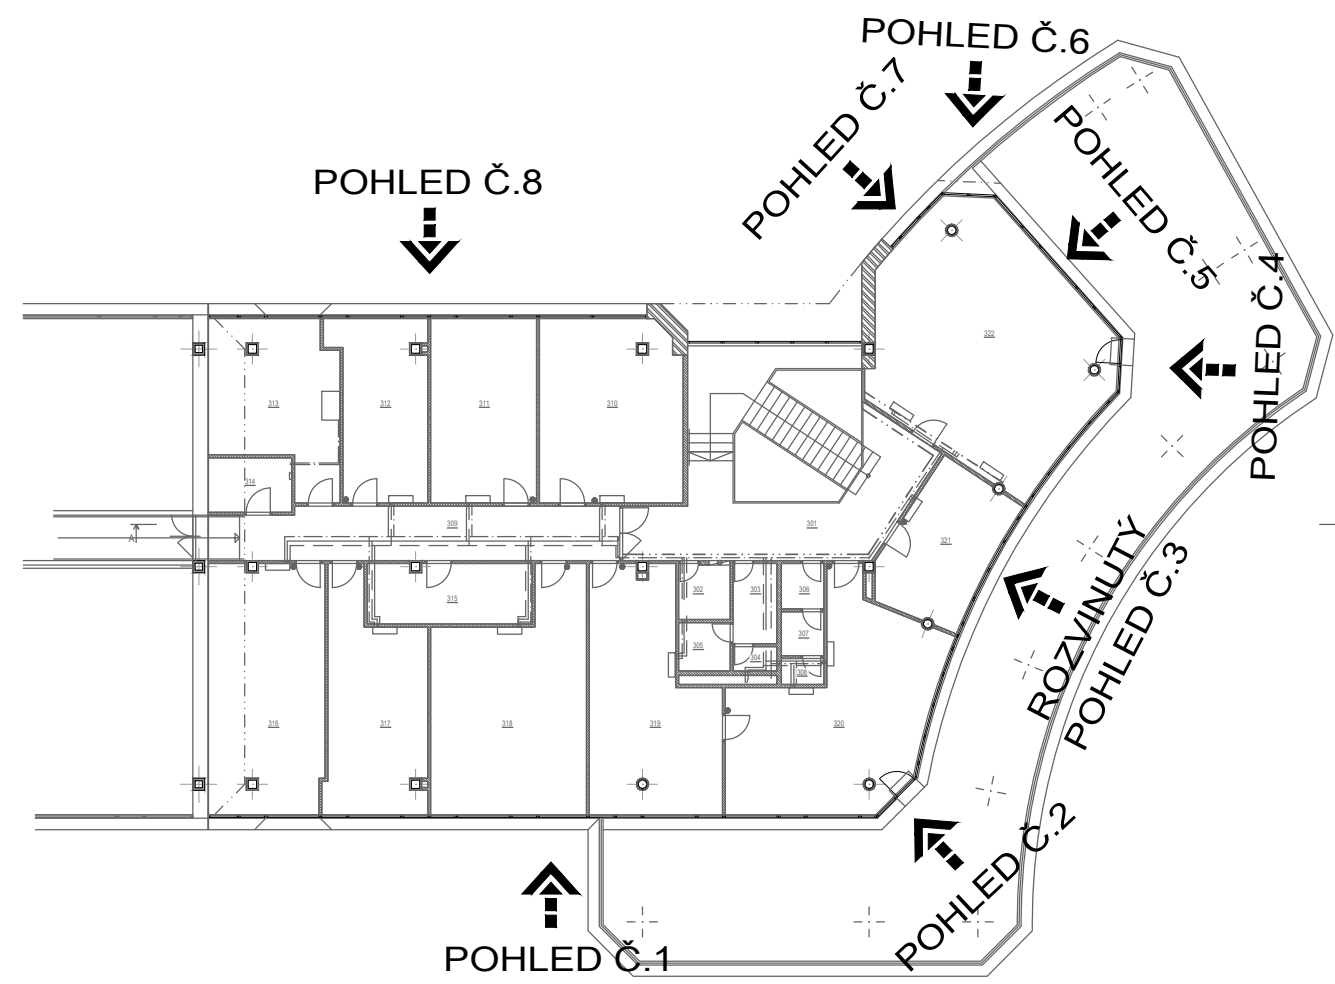

Technical drawing of a window frame assembly. The drawing shows a cross-section of the frame with dimensions and components labeled.

Dimensions:

- Overall width: 1800
- Overall height: 2200
- Left side height: 1750
- Right side height: 450
- Bottom left segment: 900
- Bottom right segment: 900

Components and Labels:

- FIX:** Label for the fixed part of the window.
- 38:** Dimension for the top left corner radius.
- 39:** Dimension for the top right corner radius.
- 33:** Dimension for the bottom center radius.
- V:** Label for the bottom center component.
