

A diagram on a grid background. It features two identical rectangular structures, each composed of three concentric rectangles. The innermost rectangle is white, the middle one is light gray, and the outermost one is dark gray. These structures are positioned on the left and right sides of the grid. In the bottom right corner, there is a small white rectangle with a black border, containing a black arrow pointing to the right.

[illegible]

A blank coordinate grid with x and y axes. The grid is 20 units wide and 15 units high. The x-axis is labeled from 1 to 20, and the y-axis is labeled from 1 to 15. The origin (0,0) is at the bottom-left corner. The grid lines are thin and gray, while the axes are thick and black with arrowheads at the ends.
