

This architectural section drawing illustrates a building's internal structure and room layout. The drawing is oriented horizontally, with a thick black line at the bottom representing the ground level. The building is divided into several rooms, each identified by a circled number: 1 (large central hall), 2 (smaller room on the left), 3 (small room with stairs), 4 (small room on the right), 5 (vertical corridor), 6 (large room on the right), and 13A (small room on the far right). The drawing includes various structural details such as walls, doors, windows, and stairs. Key elevation points are marked with numerical values: +10.880, +11.489, +8.790, +4.060, -0.340, +0.400, -0.340, +0.600, +2.135, +0.860, +2.950, +0.400, +0.000, and +16.150. The drawing also features a series of vertical dashed lines and a horizontal dashed line, likely indicating structural grid lines or section cuts.

- ① METALICKÁ FASÁDA - RAL 9006
- ② OMÍTANÁ FASÁDA - RAL 7047
- ③ VÝPLNĚ OTVORŮ - RAL 9006/RAL 7047
- ④ POHLEDOVÝ BETON
- ⑤ ŽÁROVÉ ZINKOVÁNÍ
- ⑥ METALICKÁ FASÁDA - RAL 9007
