1 DEFINITION OF THE SUBJECT MATTER OF THE PUBLIC CONTRACT

1.1 Classification of the subject matter of the Public Contract

Classification (CPV) of this Public Contract corresponds to item:

- CPV code: 38000000-5 Laboratory, optical and precision equipments (excl. glasses)

1.2 Description of the subject matter of the Public Contract

The subject matter of this Public Contract is supply (acquisition) of SQUID (superconducting quantum interference device) magnetometers providing extremely sensitive measurement of magnetic moment in variable controlled sample environment conditions including broad temperature range and magnetic field. Devices must be able to measure both DC and AC magnetic moment and angular dependence of magnetic response of the sample. The Contracting Authority assumes acquisition of 2 such devices in different configurations (with different setup and accessories) (hereinafter "Device A" and "Device B", jointly referred to as the "Equipment"). More detailed specification is provided in Article 4 below and in Annex No. 3 of this TD (Draft Contract).

The subject matter of this Public Contract is mainly financed from the subsidy of the projects "Teraferroics for ultra-high capacity, speed and energy-efficiency of information technology" and "Materials Growth & Measurement Laboratory" under the *Operational Programme Jan Amos Komenský* within the framework of EU funds, project registration numbers CZ.02.01.01/00/22_008/0004594 and CZ.02.01.01/00/23_015/0008184.

1.3 Term

Anticipated commencement: immediately after Contract conclusion

Anticipated completion: handover of installed Equipment no later than 18 months after Contract conclusion (for both Device A and Device B)

1.4 Place of Performance

Place of delivery, installation and handover of

- Device A is Cukrovarnická street No. 112/10, 162 00 Praha 6, Czech Republic and
- Device B is V Holešovičkách street No. 747/2, 180 00 Praha 8, Czech Republic.

1.5 Estimated value

Estimated value of the Public Contract is **40 300 000 CZK excl. VAT**.

Considering the available funds of the Contracting Authority, the maximum permissible level for the bid price is in the case of Device A 16 200 000 CZK excl. VAT and in the case of Device B 24 100 000 CZK excl. VAT. The Contracting Authority stipulates as a condition of the Public Contract that the bid price may not exceed these limits. The Contracting Authority will consider any bids with a bid price for Device A or Device B exceeding the above limits to be unsatisfactory and they will therefore be excluded from any further participation in the Procurement Procedure.

2 REQUIREMENTS REGARDING THE DRAWING UP OF A BID

- 2.1 Bids shall be submitted in electronic form only, in accordance with the provisions of Section 211 (3) of the Act, using the electronic tool Tender arena. Bids in paper form are not permitted. Other form of delivery is not considered proper submission of the bid.

- 2.2** Bids shall be submitted no later than on **May 7, 2024, by 11:00 am**. The Tender arena electronic tool used for the submission of a bid in electronic form is available at <https://tenderarena.cz>. Bidders may find at this link also a guide for using the Tender arena electronic tool (via link "Help" in footer) and helpdesk contact details.
- 2.3** To be able to submit a bid, the Bidder must be registered as a contractor in the **Central Contractor Database** through the **FEN.cz** system. The link to register is <https://cdd.fen.cz/#/>. Registration takes up to 48 hours (on working days) after all required documents have been submitted (either by post or electronically). Registration in the FEN.cz system is not charged. Detailed information on the registration to the Central Contractor Database through FEN.cz system is available at <https://cdd.fen.cz/#/faq>.
- 2.4** The Bidder must have a personal computer with a minimum of the following performance: CPU 1 GHz, 1024 MB memory, 20 GB hard drive, the computer must be connected to the Internet at a minimum connection speed of 2 Mbps (DOWNLOAD) / 512 Kbps (UPLOAD). The computer must have an Internet browser installed (Mozilla Firefox 73.0 and higher, Google Chrome 80.0.3987.106 and higher, Opera 66.0.3515.72 and higher, Microsoft Edge 80.0.361.54 and higher, Internet Explorer 11.657.18362.0 and higher).
- 2.5** The Contracting Authority points out that it bears no responsibility for any technical conditions on the Bidder's side. The Contracting Authority recommends Bidders to consider especially the speed of their Internet connection when submitting bids so that they are submitted within the time limit for submission. This means the final submission of the bid to the Tender arena electronic tool after uploading all the attachments that make up the bid.
- 2.6** The bid may be prepared in the Czech or English language.
- 2.7** The bid must include **identification data of the Bidder**, i.e. primarily: business name, registered office, legal form (if the Bidder is a legal person), or the business name or name and forenames (if the Bidder is a natural person), as well as the identification number, if assigned to the Bidder.
- 2.8** The bid in electronic form shall not exceed 200 MB; of which a maximum of 100 MB is reserved for documents proving qualifications and a maximum of 100 MB for other documents provided within the bid. The bid must be processed through acceptable file formats, i.e. Microsoft Office (DOC(X), XLS(X)), Open Office formats, PDF, JPEG, GIF, or PNG. The values for bid evaluation as specified in this TD will also be submitted to the Procurement Procedure by inserting them into the tender form, which will be displayed when submitting the bid. This is without prejudice to the obligation to submit other documents making up the bid.
- 2.9** For the submission, the bid must be encrypted with a certificate provided within the Tender arena electronic tool (at <https://tenderarena.cz>). In the case of a bid being encrypted with another certificate, such a bid will be considered not delivered to the Contracting Authority in the proper manner and it will not be considered submitted. **The bid encryption with the certificate is carried out automatically in the Tender arena electronic tool** before the bid submission is finalized.
- 2.10** In the case several Bidders jointly participate in the Procurement Procedure, they will also identify

the person who shall be authorized to represent them in contact with the Contracting Authority during the Procurement Procedure.

2.11 The Contracting Authority does not specify the *award period* for this Procurement Procedure.

2.12 The bid must be submitted in the following structure:

- a) Cover sheet** setting out the basic identification data of the Bidder and the data for evaluation (please refer to Annex No. 1 hereto);
- b) documents proving fulfilment of the qualification** in the structure as set out in Article 3 of the TD; all documents proving fulfilment of the qualification may be presented in a plain copy (as scanned image) OR Bidders may substitute the submission of documents proving fulfilment of the qualification by an affirmation (for the purposes of the bid, Bidders may use Annex No. 2 hereto) or by the European Single Procurement Document;
- c) statement defining the bid price** in the structure according to Article 5 hereof;
- d) description of the subject of performance of the Public Contract** - the Bidder shall prepare and submit a document describing the actual subject of performance of the Public Contract and demonstrating that the Contracting Authority's requirements are met;
- e) draft contract** including annexes with filled marked data (please refer to Annex No. 3 hereto);
- f) affidavit** of commitment to comply with the principles of socially responsible procurement and environmentally responsible procurement signed by a person authorized to act on behalf of the Bidder (please refer to Annex No. 5 hereto).

3 QUALIFICATIONS

3.1 Bidders must demonstrate the fulfilment of

- a)** basic qualification according to Section 74 of the Act,
- b)** professional qualification according to Section 77 of the Act and
- c)** technical qualification according to Section 79 of the Act.

For the purposes of the Bid, it is sufficient to submit a written affirmation (Annex No. 2 hereto), as stated below in point 3.6.1 of this TD.

3.2 Time of proving the fulfilment of the qualification

The Bidder is obliged to prove the fulfilment of the qualification within the deadline for submission of bids specified in point 2.2 of this TD.

- 3.6.3 Where the Contracting Authority requires a document to be submitted, the Bidder shall submit it in Czech or English language, or it shall be submitted along with its translation into one of these languages.

4 TECHNICAL SPECIFICATION OF THE SUBJECT MATTER

- 4.1 The TD specifies the minimum technical requirements in Annex No. 1 of the Draft Contract (Draft Contract forms Annex No. 3 of this TD). It is permitted that Bidders supply the same or higher-level solution, than those described in the technical specification, but it must always comply with the minimum requirements as set forth herein.
- 4.2 All items which shall form a part of the Equipment must comply with all requirements arising from technical or safety standards valid in the Czech Republic for these types of equipment. Performance required hereunder shall include handover of complete documentation to the Equipment. The Contracting Authority requires that the entire Equipment and all its parts are brand new, not re-used.
- 4.3 Bidders must always comply with technical requirements stipulated herein; should a Bidder fail to comply with these, he shall be excluded from further proceedings. Bidders are obliged to prove guaranteed technical parameters to the Contracting Authority as specified herein, i.e. Bidders shall submit detailed technical specification of the offered solution containing the guaranteed achievable parameters, which must demonstrate compliance with the minimum technical parameters specified in Annex No. 1 to the Draft Contract in the Czech or English language (other language mutations will not be admissible). Specified parameters must be achieved also during installation of the Equipment at the place of performance. The submitted documentation shall form Annex No. 2 to the Contract.

4.4 Should this TD refer to specific commercial trademarks / products or solution, or other designations or visual presentations having relation to a specific supplier / manufacturer, it shall be understood as delineation of an anticipated characteristics and Bidders are entitled to propose other technically or qualitatively compliant solution.

5 STRUCTURE OF THE BID PRICE

5.1 Bidders are obliged to indicate the total bid price, including all required performance; the total bid price is to be quoted in CZK or EUR excl. VAT (if the bid price is quoted in EUR, then for the purposes of evaluation and assessment of whether the bid price is not abnormally low in relation to the subject of the Public Contract or whether it has not exceeded the maximum admissible bid price, the bid price will be converted to CZK at the exchange rate announced by the Czech National Bank as of the last day of the deadline for submitting bids).

5.2 The total bid price must include the entire subject matter of the Public Contract and shall represent a fixed, binding amount as the maximum amount and maximum admissible price, including all fees and other costs that may be associated with the performance provided hereunder, such as transportation to the place of performance, packaging, custom duties, assembly and installation costs, costs of insurance, etc. At the same time, the bid price cannot exceed 16 200 000 CZK excl. VAT in the case of Device A and 24 100 000 CZK excl. VAT in the case of Device B. in the event of a bid being submitted citing a bid price for Device A or Device B higher than these maximum values, such bid will be excluded from the Procurement Procedure.

6 TERMS AND CONDITIONS, PAYMENT TERMS

6.1 Payment terms are specified in the attached binding Draft Contract, which forms an integral part hereof as Annex No. 3.

6.2 Bidders are obliged to accept the Draft Contract without reservation and not to change its text. Bidders are authorized to fill in their identification data, the bid price and other clearly marked information that are to be filled in. Bidders are not authorized to change or add to the Draft Contract in any manner, with exception of those parts which the Contracting Authority highlighted. Any breach of this condition may result in exclusion of the Bidder from the Procurement Procedure.

7 EVALUATION CRITERIA

7.1 The bids will be evaluated on the basis of their economic advantageousness. The Contracting Authority will evaluate the economic advantageousness of the bids on the basis of the criteria below.

7.2 The evaluation criteria are:

7.2.1 Total bid price – weight 88 %

7.2.2 Length of warranty period – weight 12 %

7.3 Evaluation method:

- 7.3.1 Within the evaluation criterion pursuant to paragraph 7.2.1, the Contracting Authority will evaluate the total bid price in CZK excl. VAT, processed in accordance with Article 5 of the TD. The number of points awarded will be determined according to the formula below:

$$\text{Number of points} = \frac{\text{Lowest total bid price among evaluated bids in CZK excl. VAT}}{\text{Total bid price of the evaluated bid in CZK excl. VAT}} \cdot 88$$

The maximum total bid price is 40 300 000 CZK excl. VAT - Bidders who indicate a higher total bid price (or any of its parts according to paragraph 5.2 of the TD) will be excluded from the Procurement Procedure.

Bidders complete the data for this criterion in paragraphs 5.1.1 – 5.1.3 of the Draft Contract (Annex No. 3 of the TD) and in the Cover Sheet (Annex No. 1 of the TD). If the Bidder indicates different values in the Cover Sheet and in the Draft Contract, the Contracting Authority will consider the data in the Draft Contract binding.

- 7.3.2 Within the evaluation criterion pursuant to paragraph 7.2.2, the Contracting Authority will evaluate the length of time for which the entire Equipment is covered by the warranty.

The minimum warranty period for both Device A and B (with no points received) is 12 months - Bidders who indicate a shorter period for any of the Devices will be excluded from the Procurement Procedure. For each additional month of warranty on Device A or B, the Bidder receives an additional ½ point. If any Bidder offers a warranty of more than 24 months for any of the Devices, they will receive the maximum number of points achievable under this criterion for each of the 2 Devices (6 and 6 points, making a maximum of 12 points, corresponding to the weight of this criterion of 12%), whereas the warranty period actually stated will be considered legally binding.

Bidders shall state the offered warranty period in whole calendar months and fill it in paragraphs 14.1.1 and 14.1.2 of the Draft Contract (Annex No. 3 of the TD) and in the Cover Sheet (Annex No. 1 of the TD). If the Bidder specifies different values in the Cover Sheet and in the Draft Contract, the Contracting Authority will consider the data specified in the Draft Contract binding.

- 7.3.3 The number of points achieved within the individual criteria will be rounded to 2 decimal places. **Finally, bids will be ranked according to the number of points obtained in the sum of all the above criteria from highest to lowest. The winner is the Bidder whose bid gets the most points.**

8 ADDITIONAL REQUIREMENTS AND CONDITIONS

- 8.1 The Contracting Authority reserves the right to verify any information provided by Bidders using third parties and Bidders shall be obliged to provide the Contracting Authority with all necessary cooperation in this matter.
- 8.2 The Contracting Authority does not admit variants of the bid.

- 8.3** The Contracting Authority reserves the right to change, specify or supplement the conditions of this Procurement Procedure.
- 8.4** The selected Bidder will be obliged to ensure compliance with all labour law regulations (remuneration, working hours, rest periods between shifts, paid overtime), as well as regulations concerning employment and occupational safety and health, for the entire duration of the contractual relationship established on the basis of this Public Contract, valid in the country of his registered office or place of business, to all persons, which will participate in the performance of the Public Contract (regardless of whether it is the Bidder himself or his subcontractors).
- 8.5** The selected Bidder will be obliged to ensure compliance with environmental law in force in his country of residence or place of business, which meets the environmental policy objectives related to climate change, resource use and sustainable consumption and production, for the entire duration of the contractual relationship based on this Public Contract. The selected Bidder must therefore take all measures that can reasonably be required of him to protect the environment and reduce damage caused by pollution, noise and other activities, and must ensure that emissions, soil pollution and wastewater from his activities do not exceed the values laid down in the relevant legislation.

9 OPENING OF BIDS

Opening of bids shall take place immediately after the expiry of the bid submission date.

10 COMMUNICATION DURING THE PROCUREMENT PROCEDURE

- 10.1** During the Procurement Procedure, the Contracting Authority will communicate with Bidders in accordance with Section 211 of the Act.
- 10.2** For communication during the Procurement Procedure, the Contracting Authority prefers the use of the electronic tool Tender arena.
- 10.3** Documents within the Procurement Procedure shall be sent by the Contracting Authority through the Tender arena electronic tool accounts of the Contracting Authority and the Bidder or via e-mail (with a guaranteed electronic signature, if possible).
- 10.4** Bidders must be registered in the Central Database of Suppliers in order to be able to communicate with the Contracting Authority via the electronic tool. The registration is carried out in accordance with point 2.4 of this TD.
- 10.5** The Contracting Authority further emphasizes that in the case of communication carried out via the electronic tool, **the document is delivered as soon as the data message is received** to the electronic address of the recipient or recipients of the data message in the electronic tool.

11 CONCLUSION

- 11.1** Information and data provided herein (incl. all Annexes) define the binding requirements of the Contracting Authority with respect to the performance of the Public Contract. These requirements must be accepted by the Bidders in full and without reservation, respecting these

requirements in preparation of their bid. Non-acceptance of these requirements / conditions (incl. those specified in the respective Annexes) shall be deemed to constitute failure to comply with the tender conditions.

- 11.2** Should this TD or its Annexes refer to specific commercial trademarks / products or solutions, or other designations or visual presentations having relation to a specific supplier / manufacturer, it shall be understood as delineation of an anticipated characteristics and Bidders are entitled to propose other technically or qualitatively fully compliant solution.
- 11.3** By submitting a bid, the Bidder confirms that he has fully acquainted himself with the TD to this Public Contract (incl. all Annexes), that the assignment is comprehensible and clear and that before submitting his bid, he has clarified any disputed provisions or technical ambiguities and agrees with and respects the conditions of the Public Contract.
