

The drawing illustrates the sewerage system for a building, showing a plan view and a cross-section.

Plan View:

- The plan view shows a grid of rooms (1-8) and a sewerage network.
- Rooms 1-8 are labeled with their respective sewerage system components.
- The sewerage network includes manholes, inspection points, and a main sewer line.
- The main sewer line is labeled "KANALIZACE SPÁSOVÁ" (Sewerage).
- The sewerage system is shown with a cross-section of the building's foundation and floor.
- The sewerage system is shown with a cross-section of the building's foundation and floor.

Cross-Section:

- The cross-section shows the building's foundation, floor, and sewerage system components.
- The sewerage system is shown with a cross-section of the building's foundation and floor.
- The sewerage system is shown with a cross-section of the building's foundation and floor.

Architectural drawing showing a longitudinal section of a building with a sloped roof and a basement. The drawing includes dimensions, level markers (e.g., 1.100, 1.450, 2.250), and labels for structural elements like "STERKOVÁ HYDROIZOLACE" (reinforced waterproofing) and "podlažia 1.NP" (1st floor). The drawing is divided into sections labeled 1 through 8.
