III. The identification of all participants excluded from the Procurement Procedure including a statement of grounds for its exclusion:

Thermal Vacuum Projects S.L.U. with its seat at C/Velluters 17 Parque Empresarial Táctica 961344831, 46980 Paterna (Valencia), Spain Company ID No.: ESB75215715

Reasons for the exclusion from the Procurement Procedure:

The participant Thermal Vacuum Projects S.L.U., with its seat at C/Velluters 17 Parque Empresarial Táctica 961344831, Company ID No.: ESB75215715 was excluded from the procurement procedure on 2nd September 2022 because it did not state the Total Bid Price in Price Bid Table. All items of this document which should be filled in by the participant stayed empty with initial value 0,00. The participant also did not send any explanation on the request of the Contracting Authority.

Since the participant's bid did not meet the award criteria when the participant did not state the Total Bid Price in CZK or EUR excluding VAT and it cannot submit filled in Price Bid Table

after the expiry of the time limit for the submission of tenders pursuant Section 46 (2) of the Act, the Contracting Authority excluded the participant from the procurement procedure for failure to meet the award criteria according to Section 48 (2) a) of the Act and for the reason the its bid has not been explained on request made pursuant to Section 46 of the Act.

IV. The price agreed in the Public Contract:

- 225 250,- EUR without VAT

V. The identification of the economic operators with which a contract was concluded, including a statement of reasons for their selection:

The selected economic operator in this Procurement procedure is the company:

ALCA TECHNOLOGY S.R.L.

with its seat at Via Lago di Garda 130, 36015 Schio (VI), Italy

Company ID no.: 02793000247

Reasons for selection:

The Contracting Authority selected the economic operator because its bid fulfilled all the conditions required by the Contracting authority in the Procurement documentation and also in the Act. The Contracting Authority also selected the economic operator because its bid was evaluated as the most economically advantageous bid. The evaluation and its result are described in the report on the evaluation of the bids.

VI. The identification of subcontractors of the economic operator, where they are known to the Contracting Authority:

There are no subcontractors of the selected economic operator known to the Contracting Authority.

VII. Justification of the use of a negotiated procedure with prior publication or a competitive dialogue procedure, where such procedures was used:

N/A.

VIII. Justification of the use of a negotiated procedure without prior publication, where such procedure was used:

N/A.

IX. Justification of the use of a light regime, where such regime was used:

N/A.

X. Justification of the cancellation of the Procurement Procedure or of not setting up a dynamic purchasing system where such cases occurred:

N/A.

XI. Justification of the use of means of communication other than electronic means for the submission of tenders, where such other means were used:

The Contracting Authority allowed to submit only bids in electronic form and all the communication between Contracting Authority and Participant was only in electronic form.

XII. A list of persons who were found to have a conflict of interest and a list of subsequently adopted measures, where a conflict of interest was detected:

No conflict of interest was detected.

XIII. Where the contracting authority does not divide an above-threshold public contract into lots, it shall indicate the justification of such procedure, unless it has already indicated it in the procurement documents:

The Public Contract was not divided into separate lots because its subject-matter is related, i.e. the subject-matter is one functional unit with a factual, local and time context, and the Contracting Authority did not consider the division of the subject-matter into several lots to be efficient and economical.

XIV. Justification of laying down the requirement of turnover when proceeding pursuant to Section 78 (3) of the Act, where it has not already indicated it in the procurement documents:

N/A.

Other requirements arising from the provisions of Section 217 of the Act not stated in this written report are irrelevant for the given type and regime of the Public Contract, or have not been applied by the Contracting Authority within the Procurement Procedure.

The Contracting Authority also refers to the publication of the public contract, which is available under No. Z2022-026146 at: <https://www.vestnikverejnýchzakazek.cz>.
